SALES TAX RULES AND REGULATIONS - RESALE CERTIFICATES

in compliance with Sales and Use Tax Laws It is necessary that we have from all our customers a signed re-sale certificate, with their State Sales Tax Permit Number, to show that the merchandise has been purchased for re-sale.

The good faith of the seller will be questioned if he has knowledge of facts which give rise to a reasonable interence that the purchaser does not intend to resell the property as, for example, knowledge reasonable interence that the purchaser does not engaged in the business of selling that kind of merchandles.

Under "Description of property to be purchased" there may appe

- (1) Either an itemized list of the particular property to be purchased for resale, or
- (2) A general description of the kind of property to be purchased for resals. Such certificate is good until revoked in writing.

Please insert your NEW SALES TAX PERMIT NUMBER, WITH YOUR SIGNATURE AND ADDRESS ON THE ATTACHED RE-SALE CERTIFICATE AND RETURN IT TO US AT ONCE.
